

Girlawhirl discovers Texas Sassy pickles and sauces

Girlawhirl has spent the summer at so many cookouts and barbeques that you'd think she'd be all hotdogged and burgered out. But truth be told, there's something she's been enjoying like crazy this summer and luckily, all the Super Pals are in on it...

The pickles and relishes that they've been serving all summer come from **Texas Sassy™**, a line that specializes in a sweet-sour-spicy kind of pickle—and the flavors hit the tongue in that order! Much more grown-up than the relish and pickles of her childhood, Girlawhirl and the Super Pals are all over the sauces and marinades as well. There's a sweetness and spice in all of them. The Salsa Marinade turns grilled salmon into something that's tangy and spicy, and the Vinaigrette spikes up coleslaw.

But perhaps the most in-demand sauce is the Pickle Sauce. The Super Pals all agree that the Texas Sassy™ Screwdriver made with it deserves the 1st place award it won in the 2004 Fiery Food Challenge.
